Concord Police Investigate Shots Fired at Robbery/Attempted Murder

CONCORD – On Thursday August 1, 2019 at approximately 5:40am Concord Police responded to 5 Market Lane for a report of an adult female who had been shot at and physically assaulted at an apartment within the address. The victim was not hit by the gunshot, which narrowly missed her. The victim did suffer minor injuries from the assault. She was transported to an area hospital by the Concord Fire Department.

Several suspects were seen fleeing from the apartment building shortly after the incident. Concord Police detectives are gathering evidence at the scene and information pertaining to the identity of the suspects.

Security surveillance video at the apartment complex captured the suspects prior too, and after the incident. A person of interest directly involved in the shooting was captured on video, entering the apartment building prior to the incident. That person is a white male wearing a light colored t-shirt. Police are seeking the public's help in identifying this individual. Police consider this person to be armed and dangerous.

At the time of the shooting there were numerous children asleep within the building and adjoining apartment units. The potential for serious injury cannot be over emphasized.

The Concord Police are asking the public for any information pertaining the incident. Please contact Lt. Sean Ford at 225-8600 or the Concord Regional Crimeline 226-3100.
