FOR IMMEDIATE RELEASE

Second Alarm Building Fire at 85 Pleasant Street

CONCORD, NH (March 28, 2022) – At 8:08 p.m. on March 27, the Concord Fire Department responded to the area of the State Hospital Grounds for a reported building fire seen by a caller from S. Spring Street.

Units arrived to find heavy fire on the outside of a residence located at 85 Pleasant Street extending into the second floor of the building. Firefighters searched the building and found that it was empty due to ongoing renovations. Crews made an aggressive attack and found the fire had spread to the third floor. The second alarm was sounded due to the volume of fire and presence of gusty winds which made controlling the fire difficult at times. The fire was declared under control at 9:11 p.m.

Units from Hooksett, Hopkinton, Loudon, Pembroke, Boscawen, Henniker, Chichester and the Capital Area Chief Coordinator assisted Concord units at the scene. Franklin, Epsom, Dunbarton, and Penacook Ambulance all provided coverage to the City. A Manchester unit was canceled prior to arrival into the City. No injuries were reported. The cause of the fire remains under investigation.
