

Why I am running for Concord City Council

I will work for the residents of Concord's Ward 2.

For many years I have worked and volunteered in the Concord area, building consensus to seek resolutions to common problems.

My career was primarily in telecommunications where I began as a union technician and finished my thirty five year career as VP for Government Affairs in New Hampshire. In between I held management positions in operations; regulatory matters; strategic business planning (managing annual operational and capital budgets of more than 100 million dollar; corporate philanthropy and government affairs.

I have also been a member of, and chaired many, local non-profit organizations in the Greater Concord Area. I currently serve on the City's Planning Board.

If elected as your Councilor, my top priority will be to represent our neighbors' needs, concerns, and wishes to the City Council, especially concerning the following issues:

The maintenance of Ward 2 Streets and Roads (Pave Bog Road from Fisherville to Riverhill!); Expanding the Tax Base in all Wards; Developing solutions for common sense, family friendly, affordable and senior housing; Protecting our special neighborhoods while making room for growth through building reuse and rehabilitation; Ongoing maintenance and creation of Concord's extensive network of trails; Creation and expansion of the Greenway and rail trails in order to make Concord a safer, more bicycle friendly city; Working with fellow Councilors and the City Manager to make sure we are achieving the correct return on investment when spending your tax dollars

My volunteer and work experience make me uniquely qualified to work for you as the Concord City Councilor from Ward 2:

I have served as the: Past Chair, (two terms) Greater Concord Chamber of Commerce; Past Chair, Capitol Center for the Arts Board of Trustees; Past Chair, Touch the Future, Inc.; Leadership Greater Concord, Inaugural Class of 1993; Leadership New Hampshire, Class of 1999; Past Member, Upper Merrimack River Local Advisory Committee; Past Advisory Board member: Small Business Development Center; Past Advisory Board member: Bi-State Primary Care Association; Bellwether Credit Union; Past Commissioner: McAuliffe-Shepard Discovery Center Commission and the NH State Committee on the Arts; Past youth sports coach and Scout leader; Past President, Concord High Friends of Music.

Now fully retired, it's my time to help make Concord, and Ward 2, a better place to live work and play!

I would appreciate your support at the polls on November 5th!
