

# SPOOKTACULAR HALLOWEEN STEAM

**Let's Make Some**

**GHOSTLY BALLOONS!**

# Dancing Ghosts

## Supplies:

- 1 balloon
- 1 tissue paper square
- 1 black marker

## **Directions:**

- **From the tissue square, cut 3 ghost shapes.**
- **Place the ghosts in a row, side by side, and secure them to the table with a small piece of tape at their bottoms.**
- **With the marker, make faces on your ghosts.**
- **Blow up one balloon; rub the balloon on your hair for 15-20 seconds.**
- **Slowly wave the balloons over your ghosts and watch them dance!**

# Screaming Ghosts

## Supplies:

- 1 balloon
- 1 marker
- 1 hex nut

Check out this video to hear the  
screaming balloons!

<https://youtu.be/-7gOyzG5Tmc>

# Directions:

- a. **Push the hex nut into the opening of the balloon, making sure that the hex nut is all the way in to prevent sucking it back out when you blow up the balloon.**
- b. **Blow up the balloon; make a face with the marker.**
- c. **Hold the balloon with the tied part in the palm of your hand.**
- d. **Spin the balloon and listen to your ghost scream!**

# Rising Ghosts

## Supplies:

- 1 piece of paper
- 1 balloon
- 1 spoon
- Baking soda
- Vinegar
- Empty water or soda bottle

# Directions:

- **With a piece of the paper at your table, make a funnel.**
- **Insert the small end into the opening of a balloon.**
- **Using the spoon at your table, scoop a spoonful of baking soda and pour it into the balloon through the funnel.**
- **Carefully stretch the opening of the balloon over the vinegar filled bottle.**
- **Lift the balloon up to tip the soda into the bottle and watch your ghost rise!**

**Let's Dissolve the “M” From**

**Candy M&Ms**

# Ghostly M&Ms

- water

# Directions:

- a. Place 4 M&Ms into a paper cup with the Ms face up.
- b. Pour water into your cup
  - a.
- c. Check your M&Ms often for 10-15 minutes and watch for the ghostly floating Ms to surface.

**Let's Build a Candy  
Pumpkin Catapult!**

# Candy Pumpkin Catapults

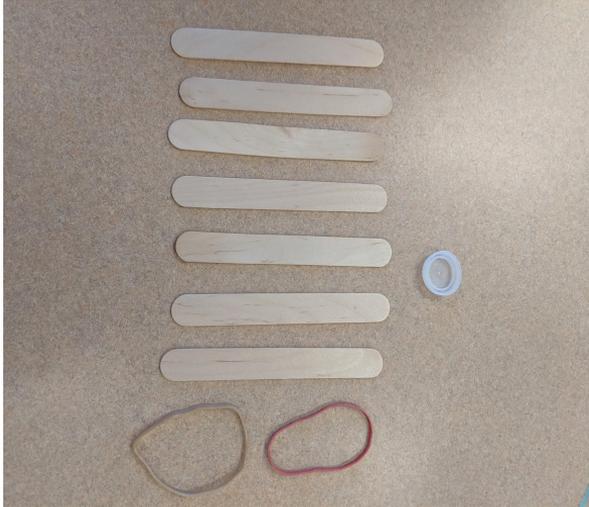

## Supplies:

7 craft sticks

4 rubber bands

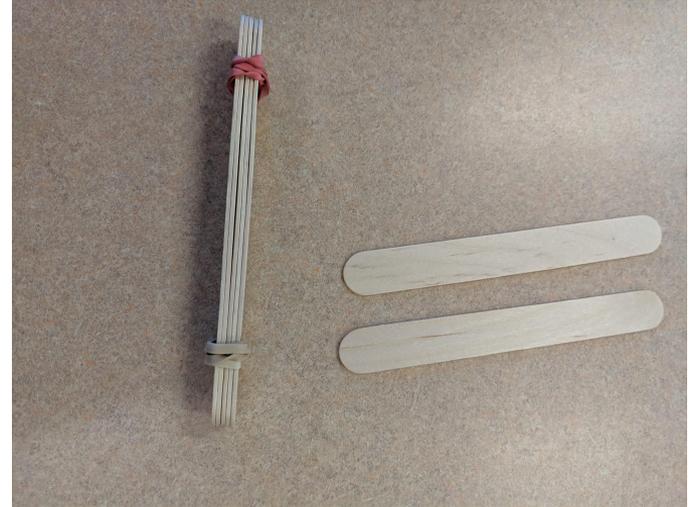

1 bottle cap

1 candy pumpkin

## Directions:

First, stack 5 craft sticks on top of each other, then bind them with a rubber band on each end.

**Next, attach the remaining 2 sticks, one over and one under the stack of 5. Secure with a rubber band.**

**Pry open the 2 sticks to make a “V” shape and secure the end with the final rubber band.**

Hot glue the bottle cap onto the top arm of the catapult.

Decorate the top 2 sticks of your catapult, if you choose to do so. Then make your pumpkin fly!
