"The heart that carries the weight of grief is on a Pilgrimage." Pastor Terry

For many people the holiday season does not bring with it the joy and happiness advertised in greeting cards or on television. Perhaps we have lost someone we love, suffered an emotional trauma, ended a relationship or dealt with illness... Perhaps we no longer have a job or feel pressured by all the holiday expectations.....

Come and be spiritually nurtured for the days ahead...

Rev. Terry Donovan Odell, an Ordained Interfaith Minister and Director of Anam Cara-the Irish Soul Friend, will be the Leader of Prayer.

Please call Jill McDaniel at the cemetery office(603-225-3911) with any questions.
