

# THE GENERAL GAZETTE

## NEW UTILITY BILLING LOCATION

Utility Billing has been relocated to the second entrance of our Combined Operations Maintenance Facility at 311 North State Street. It is still in the same building, but no longer located at the front entrance near the flag pole. Please refer to this new location for any water / sewer bills.

## NEW WATER TREATMENT SUPERINTENDENT

The City of Concord has a new Water Treatment Superintendent, Marco Philippon. He oversees the daily operations of the Water Treatment Plant and ensures Concord is receiving the highest drinking water quality. He has had over 25 years of operating and managerial experience with water and wastewater systems and is currently a Board of Directors Member (Previous President) for the New Hampshire Water Works Association and also a Committee Member for New England Water Works Association. Welcome, Marco!

## PHOTO CONTEST

Submit your best photos of Concord by 8/15 to enter to have your photo printed on a Casella truck!

Visit our website to enter:

## GOLF HOLE

Concord General Services built a golf hole for InTown Concord's Market Days Festival. It was built to resemble Loudon Road with the Douglas N. Everett Arena and other recognizable nearby locations. Kids and adults of all ages had a great time playing at Market Days and National Night Out.
