

3D Printer

The Library's 3D printers are available to Concord Public Library card holders to make three-dimensional objects. The 3D printer in the Children's Room is only available for requests from patrons with a Concord Public Library Children's card in good standing.

1. The Library's 3D printers may be used for lawful purposes only. The public will not be permitted to use the Library's 3D printers to create material that is:
 - a. Prohibited by local, state, or federal law;
 - b. Unsafe, harmful, dangerous or poses an immediate threat to the well-being of others;
 - c. Obscene or otherwise inappropriate for the Library environment;
 - d. In violation of another's intellectual property rights, for example, the printers will not be used to reproduce a material that is subject to copyright, patent or trademark protection.
2. The Library reserves the right to review all files before printing and to refuse scanning and/or producing any content at any time at the discretion of the Library Staff.
3. The Library is not responsible for any quality of content produced on the 3D printer.
4. Print-on-demand objects must require less than 7 hours to print each piece. Multi-piece requests will be considered on a case-by-case basis.
5. Only designated Library staff and volunteers will have hands-on access to the 3D printer.
6. Library Staff will establish a schedule for the use of the 3D printer.
7. At this time there is no charge for this service.
