## **House Fire Sends One Occupant to Hospital**

**CONCORD, NH (April 11, 2021)** – At 8:30 p.m. last night, Concord Fire Department units responded to a Northeast Village Road residence for a report of smoke coming from the doors and windows. When companies arrived on scene, they discovered a fire in the kitchen that was mostly extinguished by the homeowner using a portable fire extinguisher. Personnel quickly went to work to extinguish the remaining fire and evaluate the occupants of the home. A Concord Fire Department ambulance transported one occupant to Concord Hospital for further treatment. The home suffered significant heat damage on the first floor and smoke damage throughout. It is unlivable at this time.
