FOR IMMEDIATE RELEASE

Petco Fire

CONCORD, NH (September 28, 2021) – Shortly after 8:30 p.m. last night, Concord Fire Department responded to a fire alarm activation at the Petco store on Fort Eddy Rd. Companies arrived on scene in less than four minutes and found the sprinkler system had activated. A fire burning in the grooming area was quickly located and extinguished by Concord firefighters. The fire was placed under control at 8:55 p.m. Firefighters remained on scene for three hours removing smoke and water to prevent further damage and to conduct the investigation. Concord Fire Marshal Paul Sirois determined the cause of the fire to be a malfunctioning air blower fan. There were no injuries to people or animals.
