FOR IMMEDIATE RELEASE

Early Morning Fire Sends Two to the Hospital

CONCORD, NH (January 25, 2022) – Just before 2:30 a.m. this morning, Concord Fire Department was dispatched to the Morning Star Apartments on Loudon Road for a reported fire in an apartment. Upon arrival, it was determined that there were two patients with potentially life-threatening injuries from burns and smoke inhalation. Concord firefighters immediately went to work providing advanced life support while others ensured that the fire was fully extinguished and there was no extension. Both patients were transported to the hospital by Concord Fire Department ambulances. One patient later required air medical transport for further care. The fire damage was limited to the apartment of origin and the rest of the building was able to be reoccupied.
