Curbside Christmas Tree Collection Begins January 2

CONCORD, NH — Concord residents with curbside trash and recycling collection can place their Christmas trees curbside for disposal on their trash collection day starting on Tuesday, January 2. Christmas trees will be collected for two weeks through Friday, January 12. Due to the New Year's Day holiday on Monday, trash and tree collection will be delayed by one day throughout the first week.

Trees must be placed at the curb with residential trash and recycling by 7:00 a.m. to not miss collection. All lights, ornaments, tinsel, and decorations must be completely removed from the tree. Wreaths and artificial trees will not be collected. Trees will be collected with a separate truck from trash and recycling, so items may be collected at different times.

Residents can also bring trees to the Concord Transfer Station at 77 Old Turnpike Road for free during January. Transfer station hours are Monday through Saturday from 8:00 a.m. to 4:00 p.m. The transfer station will be closed on Monday, January 1 for the holiday.

###

Concord General Services is the public works department for the City of Concord, New Hampshire that delivers services to enhance the quality of life of the community. Services include street maintenance, solid waste management, water and sewer utilities, drinking water and wastewater treatment, public property maintenance, City fleet and equipment services, and management of the Douglas N. Everett Arena. For more information, please visit www.concordnh.gov/generalservices.
