Concord Hazard Mitigation Plan 2024 Adoption Meeting

CONCORD: [March 28, 2024] – The Concord City Council will hold a duly-noticed public meeting on Monday, April 8, 2024 at 7 p.m. at the City Council Chambers, 37 Green Street, to adopt the **Concord Hazard Mitigation Plan Update 2024** developed by the Concord Hazard Mitigation Committee with the assistance of the Central NH Regional Planning Commission. The Plan's update, required by the Federal Emergency Management Agency (FEMA) every five years, will enable the City to retain eligibility for federal disaster recovery and mitigation grant funding. The Plan has been awarded conditional, Approvable Pending Adoption (APA) status by FEMA and now requires the City's adoption before the federal, five-year formal approval can be issued.

The **Concord Hazard Mitigation Plan Update 2024** documents are available for viewing at City Hall – City Clerk's Office, the Concord Fire Department HQ, Concord Public Library Main Branch, and on the City website at www.concordnh.gov.

For more information, contact John Chisholm, Fire Chief, at 603.225.8650 or jchisholm@concordnh.gov.
