Rolfe Park Vandalism

Residents asked to help keep an eye out for any suspicious activity

Concord, NH (March 24, 2021) - Over the past 10 months the Parks and Recreation Department has had to replace the backboard at the Rolfe Park basketball court twice due to vandalism. Today when staff replaced the backboard (for the 2nd time) they noticed someone recently cut the metal fencing to the court. We are asking all residents to help keep an eye on our wonderful parks and if they see people damaging items to please notify the Concord Police Department at 603-225-8600.
