Concord Fire Department Employee Tests Positive for COVID-19

Concord, NH (October 16, 2020) – An employee of the Concord Fire Department has tested positive for COVID-19. The employee is not a first responder, and has very limited contact with the public.

The employee is currently quarantining. NH DHHS is conducting contact tracing. Anyone with questions should contact NH DHHS at (603) 271-4496 for further guidance.

The City of Concord and the Concord Fire Department are committed to ensuring the safety and well-being of employees and the community. All employees and facilities are currently operating under protocols set by the State of New Hampshire and the CDC.
