COVID Positive Case Reported at Beaver Meadow Golf Course

Concord, NH (October 14, 2020) – On October 13, Beaver Meadow Golf Course was notified that a customer who visited the facility over the weekend tested positive for COVID-19.

This customer was on the premises between the hours of 9:30 a.m.-3:30 p.m. on Saturday, October 10 and between the hours of 11:30 a.m.-5:30 p.m. on Sunday, October 11. The customer walked both days and spent time on the patio after playing golf.

Beaver Meadow Golf Course and the City of Concord are committed to ensuring the safety and well-being of its customers and employees. The golf course will continue following the guidelines set forth by the City of Concord, State of New Hampshire, and CDC. NH DHHS will be conducting contact tracing. Concerned customers should contact NH DHHS at (603) 271-4496 for further guidance.
