Course Update

Turf doing well

New Forward Tees on 5 and 16 put into use for Memorial Day Weekend and holding up well

Staffing complete new high school kids will start in June

Revenue Strong particularly carts and range

Membership revenue up total number of members flat or slightly up
New Young Adult category has proven popular

Fran Hunt says she really likes the new tees

Also asks about when 100 yard markers will be installed

Sid says he has them and will install them as soon as possible

Fran also asks what happened to Pin Depth indicators

Sid says they were tattered so he removed them and ordered more

Jim Marshall notes the 150 yard markers are missing on 11 and 12 fairways

Rate Discussion

Sid distributes sheet with 2015 Area Rates

Beaver Meadow pricing still below market, some room for growth

Group still favors elimination of Senior II

Large number in category as in Senior I

No other course offers the category, price deeply discounted

Young Adult has a net gain of 10 Members, 2 opted in from full adult membership

Twilight Member numbers not what they once were. Did we lose some when we offered a reduced League Green Fee?

Committee, without action tables discussion until July meeting

Necessary to make recommendation in July for August City Council meeting to set rates so we may market memberships in the fall

Old Business

Renaming of room for Chet Wheeler

Chris Mulleavey and Bob Norton working on application to Council

Naming Committee

GAC reviews guidelines set forth by Naming Committee and Chet is well deserving of the honor

If granted a plaque will be purchased for the room

David Croft will reach out to Chet's daughter to Kim to see if the family is OK with the idea

Jim Marshall says calendar on web was not up to date but after contact David Gill it was quickly updated.

Positive comments continue to roll in for Jess's operation and the hiring of Phil

Chris Mulleavey would like to talk to David about some benefit to being on the Committee. A lot of time is put into the effort

Jim Marshall is not comfortable with the concept

Mark Coen does remember we did a small outing some years back

David Croft is concerned how the “benefit’s” would be perceived by the general golfing community

Bob Norton would like a review of the members of the Committee not actively participating

Chris Mulleavey has spoken to Vera and will follow up with her

Chris asks Chuck Vanasdalan what the status of the handicap committee is

Chuck and Phil have spoken but committee has not met yet

Phil has spoken with NHGA but they are busy with their tournaments, after the State AM they should be more responsive

Sid says it is important for Beaver Meadow to have a handicap committee. In the eyes of the Concord Interclub group, there are people playing out of Beaver Meadow with a suspect handicap.

Chris asks if there is a motion to adjourn.

Jim Marshall so Moves.
