## **Curbside Christmas Tree Collection Begins January 5**

**CONCORD, NH** — Concord residents with curbside trash and recycling collection can place their Christmas trees curbside for disposal on their trash collection day starting on Monday, January 5. Christmas trees will be collected for two weeks through Friday, January 16.

Trees must be placed at the curb with trash and recycling by 7:00 a.m. to avoid missing collection. All lights, ornaments, tinsel, and decorations must be completely removed from the tree. Wreaths and artificial trees will not be collected. Trees will be collected in a separate truck from trash and recycling, so items may be collected at different times.

Residents can also bring trees to the Concord Transfer Station at 77 Old Turnpike Road for free disposal during the month of January. Transfer station hours are Monday through Saturday from 8:00 a.m. to 4:00 p.m. The transfer station will close at noon on Wednesday, December 31, for New Year's Eve, and will be closed on Thursday, January 1, for New Year's Day.

###

*Concord General Services is the public works department for the City of Concord, New Hampshire that delivers services to enhance the quality of life of the community. Services include street maintenance, solid waste management, water and sewer utilities, drinking water and wastewater treatment, public property maintenance, City fleet and equipment services, and management of the Douglas N. Everett Arena. For more information, please visit [www.concordnh.gov/generalservices](http://www.concordnh.gov/generalservices).*
