

Basketball & COVID-19

Concord Parks & Recreation is very excited to be able to run our winter sports! Knowing that it might not be a typical season we are committed to providing the best experience possible for your child. We understand some of these changes may feel uncomfortable but they have all been made in order keep coaches, players and refs safe.

Basketball Updates

- We will follow the NH Stay at Home 2.0 universal and amateur youth sports guidelines, as well as the guidelines from the NH Soccer Association
- Parents/guardians and minors attending indoor sporting events must wear a mask at all times.
- Coaches and Refs are required to wear a mask at all times.
- Players are required to wear a mask unless they are actively playing. (masks must be worn while on the bench)
- All players (in all divisions) are REQUIRED to bring their own ball.
- Coaches ONLY will handle all training equipment such as discs or cones
- Players should refrain from removing and re-inserting their mouth guards during the game
- Anyone entering the community centers will have their temperature checked upon arrival at practices or games and will also answer the daily health questions, check by Parks & Rec staff.
- Parents are asked to have hand sanitizer available for their children to use before and after each session
- Players must NOT share drinks, food, equipment or clothing at any time
- Contact outside of play (high 5's or hugs) shall be avoided at all times
- Parents must communicate with coaches via telephone or email
- Only 1 parent/guardian is allowed per player
- Basketball leagues are limited to Concord & Penacook residents only

Daily Health Checks for anyone entering the Community Centers

Each day at arrival everyone will have a temp check and will be asked the following health questions. If they answer yes to any of the following they will not be allowed to attend the practice or game

- * Have you had any close contact with someone suspected or confirmed to have COVID19?
- * Had a fever within the past 48 hours (100.4 or above).
- * Traveled domestically or outside of New England within the past 14 days.
- * Traveled internationally within the past 14 days
