To whom it may concern:

The three attached silver Bicentennial Medals, serially numbered, are three of only one thousand medals struck for our 200th anniversary.

As I have taken an active part in the organization of the Bicentennial Corporation, which has been established by the Greater Concord Chamber of Commerce in this year of my Chamber presidency, I pass these beautiful coins on to my grandchildren.

Of my three children, Peter, 18 yrs, Nancy 15 yrs, and Ann Kristina, 5 yrs. old, the first child that each has in his or her own family is to be the recipient of one of these beautiful medals, and, if it becomes necessary to track down any of these three young upstarts so that they can properly, and in good taste, receive their loot, it is my desire that all expenses involved be absorbed by the Concord National Bank as a matter of good public relations, to partially offset the exorbitant service charges so faithfully paid them by Concord's leading pharmacy.

In the event that any of my children do not raise a family, the medal which would have gone to his or her first child is to be presented to the current President of the United States, as a constant reminder that the ratification of the U.S. Constitution took place in Concord, N.H., Truly the birthplace of the nation.

With every kind and personal good wish for a very successful 2015.

Carl E. Nason
