

CITY OF CONCORD

In the year of our Lord two thousand and ten

AN ORDINANCE amending the CODE OF ORDINANCES, Title V, Administrative Code: Chapter 30 Boards and Commissions.

The City of Concord ordains as follows:

SECTION I. Amend the CODE OF ORDINANCES, Title V, Administrative Code, Chapter 30, Administrative Code, Article 30-3, Boards and Commissions, by deleting Section 30-3-14, Transportation Policy Advisory Committee, in its entirety and adding the following new Section 30-3-14, Transportation Policy Advisory Committee:

30-3-14 Transportation Policy Advisory Committee.

(a) The Transportation Policy Advisory Committee shall consist of fourteen (14) members, namely:

(1) Three (3) members of the City Council appointed by the Mayor, as soon as practicable after the City Council's biannual organization meeting, to serve a two-year term.

(2) Ten (10) persons nominated by the Mayor and subject to the approval of the City Council. Committee members shall be sought that possess skills and/or experiences that will be helpful in providing recommendations to the City Council. One (1) member shall be familiar with vehicular traffic safety operations; one (1) member shall represent the bicycling community; one (1) member shall represent the pedestrian and trails community; one (1) member shall represent public transportation; and the other six (6) appointees shall be at-large members. To the extent possible, the at-large appointees shall represent different geographic areas of the City, large employers and the business community. Appointments shall be for terms of three (3) years.

(3) The City Manager or his designee shall serve as a nonvoting ex officio member of the Committee.

(b) All members shall serve without compensation.

Ordinance No. 2794

(c) The Transportation Policy Advisory Committee Chairman shall be named biannually by the Mayor.

(d) The Transportation Policy Advisory Committee shall have the following duties and perform the following functions:

(1) Assist the City Council with the development and implementation of transportation policy.

(2) Assist the City Council with the development of long-range multimodal transportation plans.

(3) Assist the City Council with the prioritization of transportation related capital improvements.

(4) Propose policy, develop plans and make recommendations for the implementation of the improved use of bicycles throughout the community.

(5) Propose policy, develop plans and make recommendations for the implementation of the improved use of sidewalks, crosswalks, and other pedestrian infrastructure throughout the community.

(6) Assist the City Council in defining goals, objectives and performance standards of intra-city public transportation services funded by the City of Concord. Provide technical oversight, establish and revise transit routes and schedules. Ordinance changes related to the addition, removal, and relocation of on-street bus stops shall be recommended to the City Council.

(7) Proactively review and recommend improvements to enhance vehicular traffic flow on arterial and collector streets and actions to reduce cut through traffic on residential streets; and recommend traffic safety improvements on all streets and pedestrian facilities to the City Council.

(8) Work with the internal Traffic Operations Committee to provide recommendations as necessary to the City Council for improvements; particularly those requested by residents and businesses.

(e) The Transportation Policy Advisory Committee shall establish its own rules and procedures and shall have the authority to establish standing committees and ad-hoc task forces as it deems necessary to carry out its duties and responsibilities. Appointments shall be named by the Transportation Policy Advisory Committee. Ad-hoc task forces shall have a prescribed charter and sunset timeline established prior to creation.

SECTION II: This ordinance shall take effect on passage.
