GRIEVANCE PROCEDURE

Section 1. Definition. A grievance is defined as a dispute between the parties as to the interpretation, application or an alleged violation of this Agreement. It is mutually agreed that grievances shall only be allowed on items in this contract during the life of this Agreement and shall be settled in accordance with the procedure herein provided.

Section 2. Deadline for Filing Grievances. Grievances must be taken up promptly, and no grievance will be considered or discussed which is presented later than Ten (10) calendar days after the EMPLOYEE knew or should have known of the occurrence of the event giving rise to the grievance.

Section 3. Procedure.

Step 1. Should any grievance arise, there should be an earnest effort on the part of the parties to settle such grievance through an informal conference between the aggrieved EMPLOYEE and the Union President (executive board member) , and the immediate supervisor (e.g. the battalion chief in charge of the battalion, the fire marshal, or the deputy chief as applicable). The resolution of the grievance at this level shall be subject to the approval of the Fire Chief. The request for an informal conference shall take place within ten (10) calendar days from the presentation of such request. If the grievance remains unresolved following the informal conference by the grievant may proceed to Step 2.

Step 2. It shall be the responsibility of the aggrieved to reduce any grievance to writing, sign and present it to the Deputy Chief, or the Fire Chief, as applicable within ten (10) calendar days following the EMPLOYER representative response in Step 1 above.

The written grievance shall contain the following:

- (a) A complete statement of the grievance and the facts upon which it is based.
- (b) The Article and section or sections of this Agreement claimed to have been violated.
- (c) The remedy or correction requested.
- (d) The signature of the grievant.
- (e) The signature of a UNION officer acknowledging the UNION'S awareness of the grievance.
- (f) Identification of the person representing the grievant.

The Deputy Chief or the Fire Chief, as applicable, shall provide his/her written proposal resolving the grievance within ten (10) calendar days from receipt of the grievance.

If the grievance remains unresolved following the action taken, the grievant may, within Ten (10) calendar days following the decision, proceed to the next step in the grievance procedure.

Step 3. If the grievance remains unresolved following the action taken by the Division Commander at Step 2, the grievant may, within Ten (10) calendar days following the Deputy Chief's decision, present the written grievance to the Fire Chief. The Fire Chief shall have ten (10) calendar days in which to render a decision.

Step 4. If the grievance remains unresolved following the action taken by the Fire Chief at Step 3, the UNION may, within ten (10) calendar days after the Fire Chief rendered or should have rendered a decision, notify the EMPLOYER that it is proceeding to arbitration to resolve the grievance with the New Hampshire Public Employees Labor Relations Board, or another method by mutual agreement. The parties will first endeavor to agree on an arbitrator. If the parties are unable to agree within fifteen (15) calendar days upon the selection of an impartial arbitrator, the dispute

shall be referred to the American Arbitration Association for disposition under its voluntary rules and procedures. If the UNION fails to submit said grievance to arbitration it shall be deemed abandoned and no further action shall be taken with respect to such grievance.

Section 4. Arbitration.

- 4.1 The Arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the specific provisions of this Agreement. The Arbitrator shall only consider and make a decision with respect to the specific issue submitted by the Parties, and shall have no authority to make a decision on any other issue not so submitted. The Arbitrator's decision shall be final and binding on the Parties as to the matter in dispute.
- 4.2 The Arbitrator shall be empowered with the authority to resolve disagreements as to the procedural arbitrability of a grievance submitted under this grievance procedure. A hearing on the merits of a case shall not occur on the same day as a hearing on its procedural arbitrability except by mutual consent of the parties.
- 4.3 Nothing in this section limits the right of the Parties to be represented by legal Counsel.
- 4.4 Each party shall pay the expenses of their own representative, and they shall equally share the cost of the Arbitrator.
- 4.5 If either Party desires a verbatim record of the proceedings, it may cause a stenographic record to be made providing it pays for the record and makes a verbatim transcript available without charge to the other Party and to the Arbitrator.

Section 5. Time Limits. The time limits for the processing of grievances may be extended by written consent of both Parties. Where the specified time limits have lapsed and no extension has been provided for as specified herein, the grievance shall be considered settled in accordance with the EMPLOYER'S last response.

In the event that a grievant and the grievant's representative are not scheduled to be on duty between the date that the grievance is submitted to any step in the grievance process and the date in which an answer must be provided, then the time frame for providing an answer shall automatically be extended through the next series of on duty shifts of the grievant and the grievant's representative.

Section 6. Right of EMPLOYER. Nothing contained herein shall be construed as limiting the right of the EMPLOYER to pursue resolution of a grievance under this Article. The EMPLOYER may request, but not demand, that the parties engage in voluntary mediation. In the event of an agreement to mediate all timelines will be extended. The mediator shall be chosen by mutual agreement. The UNION will be required to file for arbitration within twenty (20) calendar days of a failed mediation. A failed mediation is defined as written notification by the EMPLOYER that it is withdrawing its request to have the matter resolved by mediation, the failure of the parties to choose a mediator within ten (10) calendar days and/or

when the mediation does not resolve the matter. Each party shall bear their own attorney fees, if any and the costs and fees of the mediator shall be shared equally. The mediation shall be confidential and not subject to disclosure in any subsequent proceeding.

Section 7. Exclusions. Disputes involving the City Charter, City Ordinances, published policies and regulations, provisions of RSA 273-A and other provisions of law or policies and regulations of appropriate authorities outside the City shall not be subject to the grievance and arbitration procedure set forth herein regardless of whether such matters are quoted, cited, or otherwise incorporated in this Agreement. In addition, an EMPLOYEE may be requested to sign a Verbal warning acknowledgement form (Attachment 2) after a verbal warning has been issued. The EMPLOYEE'S acknowledgment of a verbal warning shall not be construed as a written warning or agreement with said verbal warning.

Step 1: Select the timeframe commencing with the beginning of the last full tour preceding the event, to the end of the first full tour following the event, had the event not occurred and count the total hours the employee would have worked (if transfer is shift to shift, just count shifts for this step and the next).

Step 3: Compare the two figures for a potential shortfall or surplus.

2.2 Transfers from 42 hours to 40 hours - Indefinite:

2. In instances where a related hardship may result, the EMPLOYER agrees to meet and confer with the UNION prior to the transfer.
3. For Special Projects, the EMPLOYER will identify the need to the President of the Union prior to any such transfer occurring. Such identification shall be for informational purposes only and shall not be considered all inclusive.
4. Battalion Chiefs may be transferred at the discretion of the Fire Chief in the event a position is not filled using the above method. In this instance the EMPLOYER reserves the right to make the transfer and bargain with the UNION over any impacts associated with the transfer.

LETTER OF UNDERSTANDING BETWEEN THE CITY OF CONCORD AND

THE CONCORD FIRE OFFICERS ASSOCIATION LOCAL 3195, IAFF, AFL-CIO, CLC

CONCERNING THE CITY'S WELLFLEX PROGRAM

Intent

The intent of the Joint Labor Management Wellness/Fitness Program is to have employee's mental and physical health quality the best it can be in order for those employees to effectively meet their personal and work responsibilities, goals, and challenges, both now and into their retirement. Although participation in the Wellflex program is not a condition of employment, it is the intent of the parties for purposes of Worker's Compensation, that an employees participation in the physical fitness portion will be deemed in the course of his/her employment as long as the Administrative Regulation 113.10 as revised is followed.

Overview

Wellflex was created to be a positive process for both the City and its employees through an overall wellness/fitness system by being holistic, positive, rehabilitating, and educational.

Wellness activities include a wide range of health education programs and exercise activities offered either on-site, through a partnership with the City's health insurance carriers and Concord Hospital's Center for Health Promotion, or are available through other approved health education providers statewide.

The components of such a program consist of the following:

- Beneflex education sessions;
- Health risk appraisals – currently every other year;
- Your choice of health education programs;
- Your choice of physical exercise activities;
- On-site health screenings.

Program

All employees shall participate in the City sponsored Wellflex program as issued by the Personnel Department and as identified below.

The following components are compulsory:

- Attend a Beneflex education session.
- Complete a Wellflex Program Registration Form.
This allows the health insurance carrier to report participation data. No personal health information will be released.
- Participate in at least one on-site health screening.
No personal results will be shared. The City receives group summary data only.
- Complete 4 units of combined health education programs and exercise activities.
One unit must be a health education program;
Two units must include exercise activity;
One remaining unit is your choice of either health education programs or exercise activities.

The following component is offered every other year:

- Complete a Health Risk Appraisal (HRA).
Questionnaire is used to assess the employee's current health status, risk factors, and opportunities for behavior modification. It is also used to identify areas for wellness program development.

All program activity must occur within the Wellflex Program Year - employees cannot roll over exercise activity or education credit into the next year.

Confidentiality And Privacy Intentions And Guidelines

It is the intention of the City, the health insurance carriers, and the members of the joint labor-management HBRT to take all appropriate steps to protect and assure the privacy of participant’s personal and medical information. This includes but is not limited to: individual responses to surveys, questionnaires, health risk appraisals, on-site health screening results, and specific education or exercise program attendance.

In order to administer Wellflex, the City needs to obtain participation data from the health insurance carriers. This information includes the number and duration of health screenings, education courses, and exercise activities for each participant. The City will receive this information in summary form without releasing individual participant names. The Wellness Team will also need to receive, analyze, and report on the results of surveys and questionnaires, health risk appraisals, on-site health screenings, and other program related information. Steps will be taken to assure that all approved program providers adhere to similar guidelines. Many providers, such as hospitals providing screenings, require releases to be signed prior to participating. Wellflex participants should expect to sign these limited releases as a condition of program participation.

The City requires each Wellflex participant to complete a registration form. This form allows the health insurance carriers to report attendance and participation in their sponsored programs. This form must be signed in order to participate in the elements of the Wellflex Program administered by the health insurance carriers. Each participant will be required to register for the Wellflex Program on an annual basis.

Wellflex: EMPLOYEES participating in the Wellflex Program will remain in Wellflex for the duration of the year they enroll except in the event the Union notifies the EMPLOYER in writing that it no longer wishes to participate in the Wellflex Program.

The Parties agree the EMPLOYER'S Wellflex Program is a matter of City policy and is not a part of this Agreement, nor shall any benefits provided under the Wellflex Program be otherwise provided for within this Agreement. Any matter, any issue, or any question concerning the content or the administration of the City's Wellflex Program remains within the sole discretion of the City and any review or resolution of those matters will be accomplished through the applicable City procedures and forums.

Discipline – (No discipline shall result from failure to complete any elements of Wellflex.)

IN WITNESS WHEREOF, the parties hereunto caused their names to be hereunto affixed and to a duplicate hereof by the duly authorized officers, as of the 14th day of August, 2018. Both such copies shall be considered originals.
