[Household hazardous waste](#), such as oil based paints, gasoline, car wax, insecticides, varnishes, lighter fluid, chemical fertilizers, etc., should not be disposed of in the trash, recycling, or at the Transfer Station. Household hazardous waste must be taken to Concord's annual Household Hazardous Waste Collection Day. Any tree branches, debris, grass clippings, or leaves can be taken to [Earth Materials Recycling Center](#) for proper disposal at 10 Intervale Road, off of Fort Eddy Road, in Concord, NH.
