

# Royal Leak Detection

OFFICIAL CONTEST RULES

## PERFORM A "ROYAL" LEAK DETECTION & ENTER FOR A CHANCE TO WIN A NEW "THRONE" (TOILET)!

### CONTEST:

Leaks can be a royal pain! A leaky faucet, toilet, showerhead, or irrigation system may seem harmless, but did you know more than 10,000 gallons of water are wasted each year from leaks in the average household? March 16-22, 2026 is National Fix a Leak Week. This annual event is hosted by EPA WaterSense to encourage household inspections for water leaks to save water, energy, and possibly even money on utility bills. Do a leak detection of your home and enter our Royal Leak Detection contest to share how you have found and fixed leaks for a chance to win a new "throne" (WaterSense-labeled toilet).

### HOW TO ENTER:

Enter one of two ways - or **enter both ways to double your chance to win!**

#### 1. Submit a Contest Entry Form

Contest entry forms are available online at [www.concordnh.gov/leaks](http://www.concordnh.gov/leaks) or at our Utility Billing Office located at 311 North State Street. Office hours are Monday through Friday, 8:00 a.m. to 4:30 p.m.

*\*Submitting an entry form will subscribe you to our General Gazette newsletter, if not already subscribed. You may choose to modify your subscription after entry.*

#### 2. Tag Us on Social Media & Share How You Have Fixed Leaks

Tag us @ConcordNHGS in a public Facebook or Instagram post and share with us how you have found and fixed water leaks using #FixaLeak. Consider uploading a picture of your leak detection (not required)!

### WHAT IS WATERSENSE?

WaterSense is a program by the U.S. Environmental Protection Agency that is a resource for saving water and a label for water-efficient products. WaterSense-labeled products are certified to use at least 20% less water, save energy, and perform as well as or better than regular models. The City of Concord has been a WaterSense Promotional Partner since March 2014 to encourage water conservation and preserve Concord's public water supply.

### PRIZE:

One contest entry will be randomly selected to win one [American Standard Edgemere Elongated Chair Height Toilet](#), featuring:

- WaterSense certification for high performance and water efficiency with 1.28 GPF (gallons per flush).
- 17" chair-height seat for comfort (ADA compliant).
- PowerWash rim scrubs the bowl clean with every flush.
- EverClean antimicrobial surface protects against mold, mildew, and odor and stain-causing bacteria.
- Slow-close seat and lid for silent, no-slam closing.
- Contemporary design in a white color finish.

### TERMS AND CONDITIONS:

By entering this contest, you agree to these terms: Winner must be a Concord, NH resident with a submitted entry form and/or social media post by 5:00 p.m. on March 22, 2026. Winner will be contacted via the email on the contest entry form or via their social media post. Contestants are responsible to check their email or social media. Winner will have one week from notification to respond to claim the prize, or their chance will be forfeited to a new winner selected in their place. Limited to two entries per person. Winner is responsible for pick up and installation. Submitting a contest entry form will subscribe you to our General Gazette newsletter, if not subscribed already. You may choose to modify your subscription later.
