

Royal Leak Detection

Official Contest Rules

In celebration of [EPA WaterSense's](#) Fix A Leak Week, one lucky Concord resident will win a FREE new "throne" (WaterSense labeled toilet) if entered in our Royal Leak Detection contest by March 22, 2020.

SAVE WATER & MONEY

Leaks can be a royal pain! A leaky faucet, toilet, showerhead, or irrigation system may seem harmless, but did you know more than 10,000 gallons of water are wasted each year from leaks in the average household? Find and fix leaks to save water. Reducing water waste could also save you money on reduced utility costs!

WHY WATERSENSE

The City of Concord has been an EPA WaterSense Promotional Partner since March 2014. WaterSense is a program to encourage water conservation and provides a label for water efficient products that meet EPA criteria for efficiency and performance. WaterSense labeled products are certified to use at least 20% less water, save energy, and perform as well (or better than) regular models. Consider upgrading outdated fixtures and look for the WaterSense label.
