

GENERAL INDEX

(Note: Mrs. Amsden supplied an index of names preceding each chapter. This general index, including both names and topics, covers all chapters. Some name-entries do not here appear. It was thought to be unnecessary to index a name of relationship. If the text refers to Jon Doe as the son of Dick Doe, the latter name will not usually be found herein. Names of non-resident original proprietors that serve only to indicate the origin of a title to land are here ordinarily ignored. Such omissions will be supplied in Mrs. Amsden's chapter-indexes.

The first figure in a reference following represents the chapter, and the second refers to the page of that chapter. This 16-7 indicates Chapter 16, Page 7.
